

What is “Women on Target”?

This Women On Target® (WOT) is a National Rifle Association (NRA) program designed to introduce women to the fun and excitement of safely handling, loading, unloading and shooting pistols and revolvers. No experience is needed, although all experience levels are welcome. You will learn gun safety, shooting fundamentals, club rules and range orientation in a classroom setting, and then you will move to the shooting range where you will practice what you have learned. One-on-one instruction is provided by NRA Certified Instructors, Certified Coaches and experienced shooters. Everything you will need for this exciting, fun-filled day is provided, including loaner firearms, targets, ammo, eye and ear protection, and a Women on Target goodie bag. Join us and discover a sport you can enjoy for a lifetime!

Saturday, October 10, 2020
